

# HealthFlex Original

The Australian Made Oscar HealthFlex Original mattress has been developed to provide superior comfort and functionality.

The HealthFlex Original mattress has the appearance and feel of a domestic mattress. With **soft**, **medium** and **firm** options, there is a HealthFlex Original mattress to suit your needs.

The HealthFlex Original mattress utilises Joyce Hygroflex foam, which has been tested by RMIT to be:

- More effective pressure redistribution than traditional memory foams.
- Superior airflow, diffusing body heat more rapidly.
- No 'sinking feeling' that most memory foams experience.

## Mattress Specifications

Side walls add integrity to the mattress edges and assist with transferring in and out of bed.
