

Slimline Lift Recliner

Slimline Lift Recliner

Sleek and stylish modern design, the Slimline lift recliner chair puts comfort first and is the perfect addition to any room without being intrusive and bulky. With an individually adjustable headrest, back, lumbar and lift/foot-rest allowing for user personalisation, the chair provides a wide range of comfortable positions. The built-in deep recline feature has a slight tilt in space, allowing users to bring the feet above ninety degrees which is perfect for helping to improve circulation and to relieve pressure. The Slimline comes in three standard sizes with a range of modifications available to give the perfectly fitted chair.
