LARGE	510mm	540mm	490mm	130mm	670mm

ACTIONS

Single Motor (Wall-saver, Lift Assist)

The single motor wall saver operation of the Cloud allows the chair to move forward while the backrest reclines. This Oscar feature reduces the space that the chair occupies in the room because the reclined backrest does not hit the wall. The Lift, recline and footrest operate from one motor.

Dual Motor (Independent Recline)

Dual motor option lets the user recline the back without effecting the footrest, allowing a greater range of comfort.

FABRIC SELECTION
